Summary

Disciplined, with the abilities to be a problem solver, learn skills and apply them to a required task in a given time. Seeking an entry-level software developer role to further my current understanding of web technologies.

Skills

Languages and Frameworks
Javascript, HTML5, CSS, React, Java, SQL, Spring Boot.

Technologies
PostgreSQL, Git, Github.

Tools
Visual Studio Code, IntelliJ.

Projects

Mask, React App *Website | Code*
Data visualization tool displaying the current and historical data on coronavirus globally.
- Built a react application that utilizes react-chart Js to visualize real time global data on coronavirus.
- Implemented react-router to create dynamically populated components to display coronavirus data for unique countries.
- Integrated the open disease data api from disease.sh to capture coronavirus data using axios.

Plates, Full stack App *Website | Code*
An E-commerce app providing customers the ability to order catered food online.
- Built a spring boot application with Java that utilizes PostgreSQL, providing restful CRUD API services allowing users to add and view cart items and input user order information.
- Built a react application that uses react-router, creating a dynamic UI experience.
- Integrated the recipe api from Edamam, to provide users access to 2.3m+ dishes, using axios.

Experience

Instructional Associate, Per Scholas; New York, NY - December 2020 - Present
- Assisted lead instructor in facilitating curriculum for Per Scholas 15-week intensive software engineering program allowing the instructor to keep up to 30 students on pace to graduate.
- Instructed students on HTML, CSS, Javascript, React, Java, Spring Boot, SQL, PostgreSQL and Git ensuring that they meet the objectives laid out in the curriculum.

Education

Per Scholas; New York, NY - Software Engineering - March 2020 - June 2020
- Completed a 15-week software engineering bootcamp where I built a knowledge base in technologies such as Javascript, React, Java, spring boot, SQL and PostgreSQL.

Dowling college; Long Island, NY - Business Administration - Sept. 2010 - May 2011
